I would like to express my deep gratitude to the Promimpresa team for the amazing experience I had in Sicily as part of the Erasmus+ program. Your kindness and support made my stay incredibly comfortable and educational. Thanks to you, I learned so much about Italy and its culture, and visited many cities and landmarks, such as Caltanissetta, Catania, Cefalù, and Palermo. Special thanks for the recommendations on local cuisine — I tried many delicious dishes that I will remember for a long time! Your warmth and hospitality made this trip truly unforgettable.
